Building Connections & Community

The Senior Care Coalition networking meetings in May were a fantastic opportunity to connect, share, and learn from one another. Both the Eastside meeting at Woodland Terrace on May 6th and the gathering at Solstice Senior Living on May 20th sparked meaningful conversations about navigating challenges in our work, asking thoughtful questions, and gaining deeper insight into each other's businesses. It was also a pleasure to visit and explore both Woodland Terrace and Solstice, and to see firsthand how they highlight their communities and the valuable resources they offer to seniors. A big thank you to both hosts for welcoming us and supporting our growing network!
